Sir:

Submitted herewith on Form PTO-1449 is a listing documents known to Applicants in order to comply with Applicants' duty to disclosure pursuant to 37 C.F.R. § 1.56. Should additional fees be necessary in connection with the filing of this paper, or if a petition for extension of time is required for timely acceptance of same, the Commissioner is hereby authorized to charge Deposit Account No. 19-0741 for any such fees; and applicants hereby petition for any needed extension of time.

The submission of any document herewith, which is not a statutory bar, is not intended as an admission that such document constitutes prior art against the claims of the present application or is considered to be material to patentability as defined in 37 C.F.R., § 1.56(b). Applicants do not waive any rights to take any action which would be appropriate to antedate or otherwise remove as a competent reference any document which is determined to be a prima facie prior art reference against the claims of the present application.

CONCISE EXPLANATION OF
RELEVANCE OF EACH DOCUMENT

Applicants are submitting herewith on Form PTO-1449, documents originally cited on the Form PTO-1449 filed by mail with the PTO on April 28, 1999. These references

were resubmitted to the PTO with the Second Preliminary Amendment filed on January 18, 2001.

The instant Information Disclosure Statement is being filed before the mailing date of either (1) a final action under § 1.113; (2) a notice of allowance under § 1.311 or (3) an action that otherwise closes prosecution in the application. As the references have already been cited to the PTO on a 1449 and submitted before the mailing of a first Office Action, applicants believe that no fee is due.

Applicants respectfully request that the listed documents be considered by the Examiner and be made of record in the present application and that an initialized copy of Form PTO-1449 be returned in accordance with M.P.E.P. § 609.

Respectfully submitted,

January 23, 2002
